## TREASURE CHEST

Published by the JOURNALISM CLASSES JOHN R. ROGERS HIGH SCHOOL SPOKANE, WASHINGTON

1944

## HIIWIN WRYM II II WHE III WMRII

Princigal Meyer, Don Cobb, Jack llasebrock, and Ceme (uzzetto,

ToO THOSE BRAVE ALUMNI who have gone forth from Rogers, armed with the American spirit and with American ideals, with a true spirit of sportsmanship, and with determination to attain the goal, we dedicate our Treasure Chest.

Their spirit and courage is, indeed, a treasure. A treasure rich in the way that no gold could ever be rich. But this is not a treasure to be locked away; it is a treasure to be shared with a world starving for such loyalty and courage, unpolluted and untainted.

For many, the halls of Rogers are becoming a cross-roads on their long march of world-liberation; a cross-roads to which many may never be able to return. Upon our service register are recorded names and words, which they, through their deeds, may some day render immortal. Yet, even now, they may be regarded as immortal. The cause for which they labor is an immortal one, and it will never be possible to alienate this great cause from any one of the millions who are to make its realization possible.

In the air, in ships, landing with the Marines, building bridges with the Seabees, answering calls of distress with, the Coast Guard, serving in every corner of the world, we salute you!

In our office a star-studded banner is displayed. In every silver star we see a boy or girl striving toward a more perfect tomorrow. In every gold star we behold the grave of one who has already given 'the last full measure of devotion.'

## 

The Pirettes and Band performing in "lhells of Firectom" at the Merry-for Round same.

N DEDICATING this yearbook to our alumni in the service, we are likewise dedicating ourselves to that part of the great task which is within our scope of accomplishment.

More and more in our daily school life, we are reflecting the motives and ideals of our nation. More and more we are giving consideration to the weighty issues of the present and future. More and more we are turning our hands and our time to the work of restoring peace to the world.

Inspired by those who meet the enemies of freedom directly, we, individually, and collectively, are lending our efforts and our time-indirectly-reinforcing the front lines.

Stamps and bonds have been sold regularly; more and more students are securing part time jobs; those with talent have presented convocations to raise funds and have done much in the way of entertaining near-by service camps. Every request on the part of the Red Cross for money and supplies has been instantly and generously met. Every department of the school has cooperated and all descrve credit.

Symbolizing our deep emotions of devotion to our country and to freedom, are the high-stepping members of our marching unit. It is not only that they marched away with the trophy, but that they marched away with a feeling of having received inspiration, and of having given it. May the bells of freedom ring throughout the entire world in a beautiful peace of tomorrow.

We are proud of those to whom this yearbook is dedicated, and we are proud that we are marching the path of liberation together, dedicated to the same ideal, working toward the same great goal, VICTORY.

SINCE ENTERING ROGERS, the class of January ' 45 has accomplished much in the various activities held here at their Alma Mater. The "he-men" of the class have brought in honors in the field of sports. The girls in the meantime, have brought fame to their class by achieving high scholastic honors and by holding offices in clubs and school organ. Scholarship, leadership, character, and service are the qualifications which Ruby Nikotich, David Fluaitt, Grace We pay tribute to our home room advisers who have steered us through these four years at Rogers; Mr. Ander Miss Moyer, and Miss Copeland.

HE STUDENT COUNCIL this semester has sponsored numerous projects．Among these were the reorganization of school clubs，and the Spring Sports Queen contest．

The school clubs were disbanded in 1941 after the war started． At that time it was believed that students would then have more time to give to helping in the war effort．Recently students have ask－ ed that they be reorganized．The problem was taken up in Student Council．It was decided that the clubs could reorganize if a petition and other requirements were filled．Each club was to do some sort of Red Cross work or in some way aid in the war effort．The committee in charge consisted of Bob Adams and Margie Franklin．

The Spring Sports Queen contest is held every year．Each club or organization that wishes to may sponsor a girl and choose a manager． The girl selling the most baseball tickets was crowned at the＂Night Under the Stars．＂

T
HE HIGHEST HONOR bestowed on any student of high school by the faculty is the membership in the National Honor Sociefy. It is a junior division of the Phi Beta Kappa and it was organized in 1927. Every candidate must be a junior $A$ or a senior in the upper one-third of his class in scholarship and must have outstanding qualities in citizenship, leadership, character and service.

A list of the names eligible for the National Honor Society are given out to every teacher who states what he, from experience, thinks about candidates. The names are then brought up and discussed in faculty meeting. Those who are eligible are then brought up to a committee made up of teachers and voted upon. By this method, everyone has a fair chance.

The choice is made public to the students in a "tap" convocation. This year, Mr. Meyer gave a talk about the honor of being a member of the society and he urged the lower classmen to look forward and work for this honor. Then each old member, who had been given a name of the new member beforehand, passed through the student body and tapped the new member on the shoulder. The new members are then escorted to the stage where they are presented with a ribbon by Mr. Meyer and welcomed into the National Honor Society. A banquet will be given later this year at a formal initiation. This semester there were three junior $A^{\prime}$ 's, 13 senior B's and four senior A's pledged.

## 

 lensen, Kearney, Bronson, Wikinson, Stanslury, 'Turnley, (illis, Taylor, Fowth rea':

ONE of the highest ambitions of all high school students is the desire to be a member of the National Honor Society. Those chosen are from the Junior A and Senior classes.

Warren Helmer, who recently received a scholarship to Carnegie Institute of Technology, spoke at the second semester tap ceremony on the basis of scholarship, service, leadership, and character, which is essential in gaining membership to the National Honor Society. After the brief talk, the new members of the society were tapped.

Those chosen were: Senior A's, Phyllis Thrasher, Pat Ettenborough. Lorraine Wilkinson, John Sweo, Larry Miller, Harriet Coleman, and Annette Jacoy. Senior B's, David Fluiatt, Grace Knaggs, Earl Mortlock, Ruby Nikotich, and June Anderson. Junior A's, Sylvia Newton, Evelyn Jensen, Jimmy Bell and Betty Gillis.

Dr. Dillin, president of Linfield College. McMinnville, Ore., gave an address on the "Three R's-Reason, Responsibility and Resourcefulness," following the tapping ceremonies. Dr. Dillin is the youngest college president in the United States. He received his doctor's degree at the University of London, and has studied for three years in Europe.

Each member of the National Honor Society is entitled to wear the official pin of the organization. It is a gold pin in the center of which is a torch; at the base of the torch are the letters C. S. L. S., which stand for Citizenship, Scholarship, Leadership and Service. At the top of the pin is the engraved scroll, National Honor Society.

A banquet was given in the spring in honor of the new members. at which time they were formally initiated.

"F
UUTURE FLYERS OF AMERICA" is a title that might well apply to the hard working members of the C.A.PC. (Civilian Air Patrol Cadets). This organization is a form of training ground for the regular C.A.P. or Civilian Air Patrol.

The CAP is a voluntary auxiliary of the army air forces. It started a week before Pearl Harbor, December 1, 1941. First it was under the office of civilian defense. Later it was placed under the war department.
CAPC is now the biggest organization of its kind in the United States. There are members and branch organizations in almost every state in the union. During the past year the Spokane meetings have been held every Thursday and extensive courses in pre-flight have been offered. A number of the boys in the group who are June graduates are already inactive members of the Reserve Cadet Corps of th United States army.
A new recruiting program will be inaugurated at the beginning of next school year. It is planned to call for 250,000 new cadets to complete this program. These will be made up of senior high school students who meet physical requirements similar to those of the CAP. They must either have enrolled in high school in courses in geometry, algebra, physics, and trigonometry, or else they must pledge to take these subjects before graduation.
Eighteen hundred students from Spokane and vicinity will be needed for participation in this new program. A large turnout is expected from Rogers. CAPC will have a great future in the "air-minded" peoples of the post-war world and this organization offers a wonderful opportunity for training and education.

AMONG the activities the Red Cross Committee undertook from Septomber through December, 1943 were: Making Christmas posters for servicemen in Alaska, collecting leather for rehabilitation work at hospitals, making Halloween and Thanksgiving nut cups and favors that were sent to the Shrine Hospital for Crippled Children. Girls on the committee trimmed the school Christmas tree. The Home Economics classes took over the project of making hot water bottle covers and wash cloths for the hospitals.

The Baxter Hospital Nurses' room was furnished as a memorial to Miss Finnegan. Members of the group visited the hospital November 26, when they prosented a plaque made by Mr. Hughes as a memorial for the room.

Moncy was donated from each home room for the Coplen park project. As a Christmas project cach home room donated money and clothing for childron in a needy family. The mother was given a Christmas card containing $\$ 20$.

Bills for supplies were paid from the Red Cross fund of the school treasury. Some of the home rooms have bought their own supplies.

Letters of thanks and appreciation recoived by the committee includes those from Shriners' Hospital for Crippled Childron, the Pacitic area of American Red Cross and the chairman of Spokane area of Junior Red Cross.

During 1943 Miss Stevens was adviser for the Red Cross committee. The last month of that year Miss Lefevre was given charge of the group.

THIS semester's hall patrol has been cut down to about one-tenth of its original size to gain more efficiency. The organization was founded to keep order in the halls during class times. The members are at their posts during their vacant period. Mr. Purdy, vice principal, is the faculty adviser. The captain this semester was Harry Arthur, senior $A$.

THE purpose of the hall patrol is to keep students out of the halls where classes are in session during the lunch period. Each member is chosen by the adviser, and is given a post at the top of a stairway or at the end of a hall. He is on duty at this post during two of the three lunch periods. This year's hall patrol is considerably smaller than in previous years, but has a better record of efficiency. This semester's captain was Jim Lowther. The faculty adviser is Mr. Purdy.

## 

THE fire squad has been in existence ever since Rogers was first built. Each member has a distinguishing badge for wear during the drills, and each member has a different post every period. THE CON-DUCTORS, a new organization, was started under the Student Council and taken over by the Boys' Federation this year.
The Con-ductors are boys who are either juniors or seniors. Their purpose is to keep order at the different school convocations and other functions in the school auditorium and to help students to find seats quickly.
There are 14 members in this semester's Con-ductors with Bob Adams as captain. Other members of the group are: Denny Gray. Jim Lowther, Don Simonson, Cal Henderson, Dick Ruhling. Floyd Shiosaki, Floyd Breeden, Don Lemon, Dale Moffatt, Wayne Allen, Mac Marsh, Jack McDonald and Jack Pearson.
The first semester the Con-ductors were captained by Bob Lemman. The group did fine work considering that it was a new organization. Taking advantage of these errors, the second semester group was able to do a more efficient job.
"So far the boys have done a good iob and it should be continued and made into a permanent organization," states Mr. Purdy. He continued, "Their main service has been in seating the students at the different cons, but there is still room for much improvement. The students have begun to respect the Con-ductors and what they stand for and they are now cooperating much better than before."
Since the Con-ductors, hall patrol and fire squad, are all under the direction of the Boys' Federation, they will soon be formed into one large organization.
The students appreciate the work of this group and seem far more willing to accept direction from their fellow students. The Conductors also would appreciate the full cooperation of the students.

HE TRI-Y division of the Rogers Girl Reserve was organized at the beginning of the school year, as a service organization. It is composed of a limited number of junior and senior girls.

Meetings are held in the clubrooms of the Y.W.C.A. every other Wednesday. Most of the members have completed a four-week hostess training course and are now serving as qualified junior hostesses. A similar percentage of the members have been recognized at a special candlelight service.
Service projects completed during the year include the making of joke books, and covered serials, collections of such objects as coat hangers and clothes for Russia, and entertainment of children in orphanages.
A cookie bake was held at the Y.W.C.A. and several dozen cookies were delivered to Spokane U. S. O.
Three of the members, Bonnie MacKay. Annette Jacoy, and Maxine Johnson, represented the group at the Girl Reserve conference in Bellingham, where ideas on Girl Reserve work were shared with members from all parts of the Northwest.

AN INTEGRAL part of the dramatics department which seldom receives any credit is the stage crew. During the period when a dramatic selection is being rehearsed or is in actual production they work long hours every day beginning before school starts and lasting several hours after school is dismissed. Every day each member of the crew puts in at least one hour of school time on stage work.

Letters are presented members for completing the required hours of work in a regular awards convocation. The jobs done by this group include everything from carpentry to spotlighting. Much of the effect of dramatic presentations depends on the efficiency of these boys.

At all school dances, excepting those for which orchestras are hired, the members of the stage coach crew take charge of the records, supplying the requests of the audience, and announcing each of the numbers.

This was an especially active season with the All-Girl Variety show. the Music Festival, a large number of convocations, and other regular and special features. The stage crew made a fine record in handling these performances.

Those in the crew are Don Cooney, electrician; Bill Miller, player: Earl Miller, fly; Don Prouty, spotlight; Jack Cooney, slides; Derek Brine (he recently returned to his home in England). Ed Ray is the manager.

Thirteen murders became a light game in the fall production of Joseph Kesserlings "Arsenic and Old Lace" which was presented December 3 under the direction of Miss Pearl Mary Copeland, new dramatics coach.

The plot centered around two old maids, the Brewster sisters, portrayed by Loretta Decker and Priscilla Rodolph, who made a game of murdering old men to protect them from their loneliness. Paul Stoddard's portrayal of the mad Teddy Brewster brought many hilar. ious laughs from the audience.

A nephew, Jonathan Brewster, played by Bill Fuller, and Doctor Einstein, Dick Purdy, added to the mystery while Bud Ford and Lee Miller provided romance.

The Annual Spring All-School play entitled "Charley's Aunt" by Brandon Thomas was presented in the Roger's auditorium on the evening of March 31 .
This hilarious comedy in three acts reveals the happy but complicated experiences of three coliege boys. As the story continues the plot thickens and becomes more and more entangled. But it has a happy ending, as most stories do.

This play has been given on both the stage and screen previous to its presentation here.

The performance was under the direction of Miss Pearl Mary Copeland.

T
HE CONCERT BAND, under the capable direction of Harold N. Anderson, has put on many enjoyable and spectacular performances

This is one of the most important organizations of the school because it represents us in color and musical ability. They have participated in the War Bond, Armistice Day, and Memorial Day parades They have played at numerous convocations here and have played for one at Lewis and Clark. The band had a large part in the Mid Winter Festival held in our auditorium. They also participated in the Northwest Music Meet held on April 21.

Winning the trophy at the Merry-go-Round football game for putting on the best stunt, with the help of the Pirettes, was their greatest deed. They were asked to put this stunt on again at a college football game between Galena and the University of Washington. The band has also participated in six stunts put on at other football games.

This is a seventy-five piece band.

HE Orchestra, under the direction of Mr. H. Anderson, is a very valuable asset to the school. During the year they play for allschool plays, open house, baccalaureate, commencement and some convocations. The most important event of the year was the MidWinter Music Festival, held in February.

From the orchestra several smaller groups are formed. These groups play for programs where a smaller group is needed.

Students are picked for the orchestra from those who have taken private lessons or from the string class.

Every day the 37 members meet for one hour of practice. For all programs except the Music Festival the girls wear regulation black dresses and the boys wear dark suits. For the Music Festival the girls wear formals.

After being a member in good standing for three semesters an award is given-a felt emblem. Students who have been a member for six semesters and are in their Senior A semester are given a gold pin in the shape of a lyre.

Student conductor for this year was Ted Sflotsos, with Phyllis Newton as his assistant. Anyone who wished was allowed to try out for this position.

Wayne Howard was elected president and Phyllis Newton vice president. Bette Gillis was secretary-treasurer.

Other prominent events in which they have participated were: "Take-Off," an Army radio show broadcast from the Fox theater; the "Winter Music Festival," an exchange con at Lewis and Clark, March 30; a sacred con during Lent, baccalaureate, as well as the radio program, "School Head Speaks," which was broadcast over station KFPY.
'Tenebrae Factae Sunt," "I Won't Kiss Katy." "Sunbeam Out of Heaven." "Madam Jeanette," and "Alleluia. Christ Is Risen," are only a few of the numbers which have helped this group to acquire honorable recognition with music lovers everywhere.
This group is a select one, with new members being selected on a try-out basis. Only those students who are qualified are asked to join. This past semester the choir has learned about fifteen songs.
Included in the repertoire of this year's choir are numbers rang. ing from fourteenth and fifteenth century choral masterpieces to present-day radio glee club arrangements of Fred Waring, "The Night Is Young." and a swing arrangement of "I Love You Truly."

THE ROGERS stunt group carried out the theme "Pirate Power For Victory" throughout the season as they symbolized what the United Nations are fighting for.
The "Four Freedoms" were depicted in a series of bells at the Merry-go-round game. The stunt won the trophy; the performance was repeated at the game between University of Washington and the Commandos.
"Johnny Zero" and a marching routine filled the half time at two more games.
The Armistice game was celebrated by the presentation of "Flags of the United Nations." The banners symbolized the traditions and culture they represent. As each flag was presented that country's anthem was played or the Pirettes dramatized it. Countries represented were: the Netherlands, Canada. Czechoslovakia, France, (the Pirettes doing the "Alovette" dance), India, China (by another dance). Belgium, Russia, (by the forming of the letter "R"). Greece, Australia, (by doing a dance to the tune of "Waltzing Matilda"). Norway, Great Britain and ended by the band and Pirettes forming U. S. and playing "The Star Spangled Banner."

The two girls chosen as outstanding during the season were Evelyn Hawke and Dolores Ware. They were awarded pins.

HE QUESTION has been: Resolved; that the United States should join in reconstituting the League of Nations.

The debate team was organized a number of years ago for students who were interested in debating and who have passed the public standards of speech. It has been offered as a regular class in previous years. This year it was given as an extra activity for any student who was interested and could pass the qualifications. The Rogers debate team is a member of a League which was organized in November, 1943.
Five schools competed in this League. They were: West Valley, Central Valley, Gonzaga, Marycliff and Rogers. These schools were anxious to have an organized debate competition since most of the High Schools in the city and in surrounding territory have discontinued it. This League provided a schedule which lasted eight weeks, each school debating twice a week. Upon conclusion of these series of debates a trophy was presented to the winning school. The debater who was chosen the outstanding speaker throughout the dcbates was honored by an individual award.

The Rogers debate team has been under the direction of Mr. Jinnett and Mr. Purdy in previous years. For the past year it has been under the direction of Miss Pearl Mary Copeland.

T
HE PAST TWO YEARS have indeed been honor ones for the coaches of Rogers. In these past seasons the students have seen more championship teams than perhaps any other time in the history of the school.
The Pirates have come out on top two years in, football, track, and baseball. They placed second in basketball.
It has been through the hard work and expert training of Coach Carl "Tuffy" Ellingsen that the Pirate eleven has had the fire to obtain the crown of City Champions and State Mythical Champions for two years.
Coach Ellingsen stayed up nights figuring new plays and formations for his team which in more than one instance helped them out of tough spots.

On the maple courts a comparatively new fellow has been giving his skilled coaching to teams that have surprised many. This man is Coach Wally Mills, who in his two years as head basketball coach has raised Pirate teams several notches.

Out every night with his cinder men is Coach Jack Mooberry of the track squad. Being an excellent runner Coach Mooberry knows all the fine skill necessary to form top notch teams.

Winning the championship twice, the Pirates found their toughest opponents to be Gonzaga, who was beaten by the score of 53 to 51 both times.

On the diamond we have a coach who never takes a back seat to anyone. He is Coach Wayne Black who has always managed to come through with winning teams, regardless of all handicaps. Drilling on the small fundamentals of baseball he has turned the would be players into first string material.

Rogers 26, North Central 0
Starting the season right, the Bucs handed North Central its first defeat by dumping them 26 to 0 in the first night game of the season. Dominating the game from the start to finish the Pirates scored in every quarter.

## Rogers 7, Wenatchee 13

On a wet field with a white ball, the Rogers team felt its first defeat of the season, when Wenatchee with a powerful team beat them at Wenatchee in a close and hard-fought game. This was Rogers only defeat.

## Rogers 28, Lewis and Clark 12

With speed galore the Pirates easily drubbed the Lewis and Clark team to the tune of 28 to 12. Touchdowns were made by long runs, as speed was matched with power.

## Rogers 7, Gonzaga 7

Under perfect conditions the Bucs and the boys from Boone Avenue battled to a 7 to 7 tie. Gonzaga's excellent tackling and checking had the Pirates confused most of the game.

## Rogers 18, North Central 2

Showing the ability to click on a mud-soaked field, the Pirates mudded North Central under 18 to 2. The game was practically fumble-less and proved that the Bucs didn't depend on the weather to win their games.

## Rogers 12, Lewis and Clark 6

For the first time during the season a passing attack won for the Pirates when they downed Lewis and Clark 12 to 6 . The Pirates were held hard and fast the first quarter and as a result started their air attack. Harry Kellinger with all his power scored for L. C. late in the fourth period.

## Rogers 49, Gonzaga 7

Handing Gonzaga its worst defeat in history, a mighty Rogers team trampled the Bull Pups 49 to 7 in the Annual Shrine Game, November II. That game clinched the title and brought the total points scored during the season, by Rogers, to 140.

Rogers 19, Bellingham 6
On a bright cold day the Bellingham Raiders and Rogers Pirates battled to a 19 to 6 victory for the Pirates. This was a game that decided the Mythical State Championship. The Raiders had a very good season being undefeated until their encounter with Rogers. The game was closer than the score might indicate. Outstanding men for Bellingham were Wardrop and Richardson. Cobb and Burnette gave the Pirate team the fire needed for victory.

FOR two consecutive years the Pirate team has come out on top of the league. Not only have they claimed the city title, but have taken on all comers for the honor of the Mythical State Championship. With seniors at all but one post, the Pirates bowed to Wenatchee High in the only defeat of the season.

This year as in many years in the past the team has counted on speed more than any other factor to gain the all important points. This, however, does not mean that they couldn't go through the middle if need be.

This year was truly an honor year for the alumni of the old Hillyard High who many a time were beaten by the same teams that so harshly felt the sting of defeat by this year's mighty Pirate team.

Honorable mention goes to first-rate tackle Ray Berggren who was called to the service of his country shortly after the half way mark of the season. Despite a bad leg injury he played heads-up ball.
The stories of the future teams of Rogers cannot yet be told, but may they be inspired to many more championships by this year's team, who in spite of all handicaps never once quit fighting for VICTORY.

W ITH PERHAPS one of the strongest teams in the history of the school the Pirate five came up with second honors in a hard fought season. Winning six and losing three, they found their toughest opponents L. C.

Individual scoring honors were taken by Earl Mortlock who throughout the season made ninety points, and Wayne Allen, who totaled 66. Both these boys have another year of basketball and will undoubtedly make one of the outstanding combinations in the city. Two of the season's starters were called into the service before the season finished. They were both consistent scorers and valuable men. They were Bob Lemman and Harry Arthur. A newcomer, Jack Leversee, showed plenty of skill in the game but was also taken in the service.

Following is a list of the men and their individual scores: Earl Mortlock, 90; Wayne Allen, 66; Bob Lemman, 50; Dick Ruhling, 50; Jack Leversee, 34: Harry Arthur, 27; Herb Harlow, 24; Bill Lowther, 6; and Bill Cook, 4.

Pat Dalzel was victorious in the annual spring sports queen contest. The princesses were Ruby Nikotich and Pat Ettenborough.

This contest was originated in 1935 to help in the buying of sports equipment.

In the previous years each contestant was sponsored by a club. Due to the war the clubs were disbanded so for the last two years the candidates turned in a petition with 25 signees.

Each candidate was introduced in a convocation on April 4. The contestants and their managers presented novel acts. A drawing was held to determine in which order the contestants would appear. The audience was delighted by the acts as follows: A tap dance by Paula Mae Roestel; songs by Shirley Curtis, the girls' trio. Adair Yonke, and Marjorie Scott. Johnny Powell and his "Men About Town" played some lively tunes and a horse act and an act by Dale Moffatt and Wayne Wylder provided many laughs.

The five contestants entering this year was the smallest in years.
The total number of tickets sold in the contest this year was 2309.
On June I. "Night Under the Stars" program was given at which Queen Pat and her court were coronated. This is a tradition of Rogers and it is always a very colorful program.

With high hopes of another good season, Coach Black's baseballers turned out fifty-seven strong. As there were only two returning lettermen to work with, he was forced to uncover new material. The Pirate teams have always been a tough outfit to beat, and lived up to the tradition this year. Earl Mortlock, who played second base, and Bob Benham, an up and coming pitcher, filled the ranks of veterans.

The Pirate nine traveled to Walla Walla, April 14 for two practice games. A game was slated for April 4 when the Bucs went to Central Valley.

With only a few weeks of practice, it looked as though the probable starting lineup would be: Ralph Oman, pitcher: Wayne Wylder. catcher; Wayne Allen, first base; Earl Mortlock, second base; Dick Ruhling, short stop: Denny Gray, third base: Don Simonson, left field; Wayne Howard, center field; and Don Lemon, right field.

Following was the schedule for this year:
April 18-Gonzaga at Rogers.
April 20-Rogers at L. C.
April 25-N. C. at Rogers.
May 2-Rogers at Gonzaga.
May 4-L. C. at Rogers.

The veterans were: Bob Adams, a fast man on dashes and for 440; Myron Kerr, who is a good high hurdler: Dick Jilbert, who won his letter in the mile as a freshman; Andy Berg, who won his letter as a sophomore, was the main shot putter; and Bob Kohlstaedt, who won his letter in the high hurdles.
Veterans who missed out last year and were expected to earn points in 1944 were: Jim Lowther, high jumper: Ross Worthington and Earl Brown, both middle distance men; Mike Caprye and Neil Stoughton, who looked best in the pole vault; and Floyd Cowles, who ran the 440.
Henry Burnette, who is now in the Navy at Great Lakes, was counted on heavily to strengthen the team.
Wrestling contests were held and helped to toughen up the tracksters. This helped them in completing a successful season.

First roze: Shultz, W. Ruckhaher, Loord. Arthurs, Brady, Second rout; Kinapon. Dillon. Mchenry, G. Ruckhaher, Tufts. Jordan, Mr. Sleizer, acting coach. Third roze: Smith, Williams, Fink.

UNLIKE the years in the past, tennis players are hard to find. Rogers usually does fairly well in the city league, but unless more boys turn out it may be a different story. Many calls were given before even a part of a squad turned out. So far this season the weather has been bad and has kept them from practice.
With only one returning letterman, Garth Ruckhaber, Coach Louis Grafious was forced to find new material to fill the places of those who have graduated. Bad luck also played a part with the new coach. Mr. Grafious was taken ill with scarlet fever shortly after the first turnout and was replaced by Herman Sleizer, the frosh baseball coach.

Coach Grafious has had much experience in tennis, being a star for Albany College in Oregon, and head coach of tennis at Wenatchee High. This is the first year in quite some time that Larry Saltz has not been on the courts with the boys.

This year's schedule was as follows:
Monday, May 15-Lewis and Clark at Gonzaga; Rogers at North Central.

Wednesday, May 17-Rogers at Gonzaga: Lewis and Clark at North Central.

Monday, May 22-Lewis and Clark at Rogers; North Central at Gonzaga.

Wednesday, May 24-Gonzaga at Lewis and Clark; North Central at Rogers.

Monday. May 29-Gonzaga at Rogers: North Central at Lewis and Clark.

Wednesday, May 31-Rogers at Lewis and Clark; Gonzaga at North Central.

THIS year's tennis team had a very successful season, with twenty singles and doubles turning out, making a total of forty-two girls participating. Under the coaching of Miss Vivian Hickman the girls were 1943 city champions. Games were scheduled with North Central, Lewis and Clark. Mead. West Valley and Central Valley. Lewis and Clark again, as in other years, proved to be the most competitive team.

The team had only seven returning lettermen who had the experience necessary to strengthen the team. They are: Ruby Nikotich. June Anderson, Kathryn Dubach, Silvia Newton, Eileen Estes, Jackie James, and Marge Franklin.

Being on the tennis team is the only opportunity which girls have for entering into inter-school competition and becoming a member of the R Club.

At the end of April the ladder stood as follows:
Singles-1, June Anderson; 2, Kathryn Dubach; 3, Silvia Newton: 4, Eileen Estes; 5, Margaret Odegard: 6, Ruby Nikotich; 7, Audrey Aris; 8. Jo Anne Nikotich; 9, Helen Wenrick; 10, Rosalyn Zinkgraf: 11. ROGERS is proud of the record of its alumni now serving on every corner of the globe-in the army and navy, coast guard, merchant marine-on land, sea, in the air, and under the sea. It's proud of its service flag which displays approximately eleven hundred stars. It's proud of their distinguished service at Guadacanal, Manila, Corregidor, Midway, Salerno, and Tarawa. Proud of its heroes, but equally proud of everyone, who, in their respective stations, are dis charging their duties in a modest, patriotic way.

Of the majority of the eleven hundred, we know little. Their whereabouts and activities are secretive. Letterheads read "somewhere in Africa," "somewhere in Italy," "somewhere in the south Pacific" and no more.

Some are well known as Lieut. Charles Gumm, pictured here, who was the leading ace of his squadron and the first Mustang pilot to shoot an enemy plane over Europe. He wore the air medal with three oak leaf clusters.

Last March, while Gumm was testing a fighter plane in England, his engines failed him and instead of bailing out, he stuck to his plane to prevent it from crashing into the crowded village below, thus dying a hero's death.

Gilio Chesurin, with the field artillery in Italy, was wounded in action and decorated with the Purple Heart.

Pictured also is George Stein, who by miracle, escaped the slaughter at Tarawa. And not to mention Art Hughes, Charles Oman, Ronald Nelson, Clifford Moore, Edgar L. Miller, Neal McLeod, Amos McKee, Raymond Martin, Jack Maddock, Don Lancaster, Williarr Heath, Bernard Paul Gillingham, James Gable, William Foley, Matthew Lewis Coyle, Robert Courtney, John Cook, Willbert Clifford Milton Cheesborough, Norman Bumpus and Hugh Boarman and the list will never be complete until the day of victory, for these are our dead.
